Re: COPS Grant

- 3. Officers funded under this grant may only be involved in activities or perform services that exclusively benefit your agency and the population that it serves. If your agency provides these officers to another agency through a contractual arrangement, your agency is responsible for ensuring that this arrangement is in compliance with the conditions of your grant.**
- 4. The Grantee acknowledges its agreement to comply with the assurances on the reverse side of the COPS FAST application and with the COPS FAST Program Guidelines.**
- 5. In order to assist the COPS Office in the monitoring of the award, Grantee agencies will be responsible for submitting progress reports twice a year and financial status reports on a quarterly basis. In addition to these reports, your agency agrees to provide to the COPS Office the salaries and itemized benefits for year two and three of the grant period for the COPS FAST officers. As those reports become due, your Grant Advisor will provide you with outlines to assist you with them.**
- 6. Requests for extensions of the grant award period which merely request additional time, not additional funding, should be submitted in writing no later than two years after the official start date of the award to your Grant Advisor.**
- 7. The COPS Office may conduct a national evaluation of the Community Oriented Policing Services (COPS) program. The Grantee agrees to cooperate with the evaluators.**
- 8. The Grantee agrees to abide by the terms, conditions and regulations as found in the COPS FAST Grant Owner's Manual.**
- 9. COPS FAST Grantees are required to submit their EEOP certifications by July 1, 1995 to the COPS Office. Questions regarding the EEOP certifications should be forwarded to the COPS Office of General Counsel.**
